Summary

Motivated Communication Technology student (GPA 3.7) specializing in UX/UI design, user-centered research, and interactive prototyping, with a background in customer-facing problem solving and cross-functional collaboration. Skilled in Figma, wireframing, prototyping, usability testing, design thinking, and agile workflows. Additional experience in Java, JavaScript, and full-stack development.

Experience

Server
Nada Columbus • Columbus, OH
10/2023 – 05/2025
Serving Central American cuisine with modern flavors in the Arena District of Columbus.

Service Desk Analyst
Nationwide Mutual Insurance Company • Columbus, OH
02/2021 - 07/2023
Company of approximately 25,000 associates and ranked No. 21 in Fortune's "100 Best Companies to Work For." Nationwide provides insurance covering property, auto, farm, life, etc. I've received training for multiple queues internal associates and external agents. Received via Phone, Chat, and Web(emails). ServiceNow ticketing system. Volunteer mentor for multiple incoming classes.

Service Desk IT Specialist
Ascena Retail Group, Inc. • Columbus, OH
06/2019 - 02/2021
Providing technical support for Ascena Brands (women's retailers such as Ann Taylor, Justice, Lane Bryant) with approx. 3,400 stores. Work consisted of working with managers to resolve hardware and software issues in stores, providing outstanding customer service, and documenting issues with the Ivanti ticketing system for other teams to investigate.

Supervisor/Bartender
Old Bag of Nails Pub • Columbus, OH
12/2016 - 09/2018
Managed 20+ employees as a shift leader. Finished final details in order for the next day of service. Trusted with counting the drawer and locking up the store for end of day.

Server/Trainer
Buffalo Wild Wings • Columbus, OH
05/2013 - 01/2016

Education

The Ohio State University
Communication Technology Major
Grad. **2026**
B.A. in Communication Technology (UX/UI specialization) 3.7 GPA. Dean's List and Magna Cum Laude.

We Can Code IT
Certificate in Software Development, ***2018***

Graduated from a full-time coding boot camp, where I learned agile full-stack software development from expert instructors and intensive hands-on projects. Planned, designed, and developed professionally programmed applications in collaborative and independent settings, demonstrating the proficiency to earn a Software Development Certificate.
